

**Brunswick Catch**

Fresh from local fishermen to you!  
BrunswickCatch.com

Fresh from local fishermen to you.

Brunswick Catch is built on a seafood heritage that dates back generations. Many of our commercial fishing businesses and the local markets and restaurants that sell their catch are family businesses.

NC Catch works in partnership with the seafood industry, local Catch groups, the NC Department of Agriculture and other businesses and organizations to strengthen North Carolina's local seafood economy through promotion and education about delicious, healthy seafood from our state's coastal waters.

### Together we ...

- **Support** a robust seafood economy that sustains fishing communities and brings North Carolina seafood to consumers statewide and beyond.
- **Promote** commercial fishing as a sustainable profession deeply rooted in North Carolina's coastal heritage.
- **Build** on the seafood industry's economic opportunities to encourage job growth, financial investment and strong partnerships for the future.
